### **DHSG Final Report-March 2011**

"At the time of the Macondo blowout, BP's corporate culture remained one that was embedded in risk-taking and cost-cutting - it was like that in 2005 (Texas City), in 2006 (Alaska North Slope Spill), and in 2010 ("The Spill") Perhaps there is no clear-cut "evidence" that someone in BP or in the other organizations in the Macondo well
